HENNGE Recruitment Team

HENNGE K.K.
Shibuya, Tokyo, Japan,

Subject: Application for Internship Batch - 4

Dear HENNGE Recruitment Team,

I am writing to express my interest in joining HENNGE as part of Internship Batch - 4. Your company's dedication to innovation, open-source contributions, and fostering a culture of continuous learning inspires me. I am eager to bring my skills and enthusiasm to your dynamic team while gaining invaluable experience at HENNGE.

Why HENNGE?

HENNGE's values of transformation and embracing challenges resonate deeply with me. I admire your commitment to creating cutting-edge solutions in cloud security while maintaining a collaborative and diverse work culture. As a curious learner with a passion for technology, I am confident that HENNGE is the perfect place for me to grow both personally and professionally.

My Background and Skills

I am currently pursuing a degree in Computer Engineering and have gained experience in web development and design through various projects and internships. At GUVI, I worked as a design intern, where I was involved in product reviews, user persona creation, UI/UX design, and mobile development. This role sharpened my ability to understand user needs and create functional, user-friendly designs. Additionally, I have developed technical skills through personal projects, such as a NASA Picture of the Day Web App and an e-commerce platform with Razorpay integration. These projects not only enhanced my knowledge of technologies like HTML, CSS, JavaScript, React, and MongoDB but also strengthened my problem-solving abilities.

What I Offer

I bring a strong work ethic, adaptability, and a collaborative mindset to every project I undertake. My experience in diverse environments, combined with my passion for learning, makes me well-suited to contribute to HENNGE's mission of driving innovation and excellence in cloud security.

Thank you for considering my application. I am excited about the possibility of contributing to and learning from the talented team at HENNGE. I would be delighted to discuss how my skills and experiences align with your needs.

Sincerely,
Surjeet Mandal.
